Attention: CEO

Dear: CEO

First & final notice of negligence; breach of: trust, mission statement, & code of ethics.

As a long standing member of Costco, having purchased my goods, the following events transpired on 11/22/2015:

1. While carrying my purchased goods out with receipt in hand, I was assaulted by a Costco door greeter who grabbed & ripped my receipt whilst it was still in my hand. *Copy of receipt enclosed.*
2. Having just been assaulted by a Costco employee, whilst walking to my vehicle, approximately four illiterate boys, one which was particularly arrogant, began: accosting, harassing, menacing with ill-intent, & retarding my life. Erroneously alleging that Costco's policy & as part of the member agreement that all members must submit to Nazi gestapo style receipt checking. Upon my request, a copy of the member agreement was furnished which erroneously & deceptively states: "To ensure that all members are correctly charged for the merchandise purchased, all receipts and merchandise will be inspected as you leave the warehouse.". The former statement is erroneous & deceptive as it is humanly impossible for a person to memorize the real-time temporary hourly, daily price of *every* product in the store. While it may be Costco's policy to check receipts, no where is it indicated, nor was I able to be shown where it indicates anything to the effect of members must submit & comply to Nazi gestapo style receipt checking.

Be advised, should this ever happen again, in addition to the ACLU & ADA being contacted, when I am President of the United States of America, I will personally revoke Costco's Articles of Incorporation or thereof.

Whilst I enjoy being a member a of Costco, Costco's: products, services, the works; I will NOT tolerate for an instance this kind of treatment, ever, from anyone nor anything.

I will not hesitate to do what is necessary; and if necessary, I will make an example out of Costco by revoking Costco's Articles of Incorporation or thereof.

Adhering to Costco's own mission statement, all employees of Costco should undergo immediate mandatory sensitivity training & disabled person education/training/sensitivity. Certification of completion for each location should be publicly displayed at that location & on Costco.com.

Sincerely,

Mathew Tyler, future President of the United States of America
